

# GIVIT Schools

## Fundraising ideas

GIVIT Schools is all about students, schools and their communities who wish to give to others in need, in your local neighbourhood and throughout rural and remote Australia. We know there are school kids with big hearts who have the energy and generosity to rally together and give to those who are going without simple everyday items.

We've put together some fundraising ideas that your school community can use to raise funds. 100% of the funds you donate to GIVIT as a result of your efforts will go directly to helping other students, schools and their communities.

## Free dress day

Students have a uniform free day for a gold coin donation.

## Sausage sizzle

Hold a sausage sizzle at your next school event.

## 5 cent drive

---

Classes compete to see who can collect the most 5 cent coins. The winning class will be given a certificate from GIVIT!

## Trivia night

---

Organise a great night of fun and trivia with ticket proceeds being donated to GIVIT.

## Bake sale

---

Students and families can get their bake on and sell their delicious creations!

## Stalls

---

Organise Mothers Day, Fathers Day, Easter and Christmas stalls with a portion donated to GIVIT.

## Student learning

---

GIVIT is available to carry out age appropriate presentations highlighting the work GIVIT does, how the GIVIT Schools program works and how schools and students can help. Presentations can either be carried out in person or we can send you a video presentation.
